Application no. 45431/20

I.A. and Others v. Greece (see list appended)

Dear Sir,

I acknowledge receipt of your correspondence of 12 October 2020 requesting the European Court of Human Rights for interim measures under Rule 39 of the Rules of Court.

Decision on interim measure

On 16 October 2020, the Court (the duty judge) decided, in the interests of the parties and the proper conduct of the proceedings before it, to indicate to the Government of Greece, under Rule 39, to **a) guarantee to the applicants a medical assessment by a gastroenterologist-hepatologist; b) ensure, if necessary, their medical treatment; and c) guarantee to the applicants living conditions compatible with Article 3 of the Convention with regard to their state of health.**

The parties' attention is drawn to the fact that failure of a Contracting State to comply with a measure indicated under Rule 39 may entail a breach of Article 34 of the Convention. In this connection, reference is made to paragraphs 128 and 129 of the Grand Chamber judgment of 4 February 2005 in the case of *Mamatkulov and Askarov v. Turkey* (applications nos. 46827/99 and 46951/99) as well as point 5 of the operative part.

Priority

The Court further decided to give priority to the application under Rule 41.

Anonymity and confidentiality

The Court has decided, under Rule 47 § 4, not to disclose the applicants' identities to the public. In all public documents of the Court the applicants will accordingly be referred to by the letters of the alphabet used in the reference at the head of this letter.

In accordance with the above decision, any documents deposited with the Registry in which the said applicants' names appear or which could otherwise easily lead to their identification should not be made accessible to the public (Rule 33 § 1 of the Rules of Court) and shall remain confidential.
