Application no. 32683/22

C.N. v. Greece

Application no. 32755/22

R.M. v. Greece

Dear Madam,

I acknowledge receipt of your letter of 4 August 2022 and accompanying documents. They have been transmitted to the Government for information.

You will find enclosed for your information a letter dated 29 July 2022 received on 5 August 2022 from the Government concerning the above cases.

Decision on interim measure

On 9 August 2022, the Court (the duty judge) decided, in the interests of the parties and the proper conduct of the proceedings before it, to indicate to the Government of Greece, under Rule 39, to **a) guarantee to the applicants a medical assessment by a gastroenterologist/hepatologist, and b) ensure, if necessary, their medical treatment.**

The parties' attention is drawn to the fact that failure of a Contracting State to comply with a measure indicated under Rule 39 may entail a breach of Article 34 of the Convention. In this connection, reference is made to paragraphs 128 and 129 of the Grand Chamber judgment of 4 February 2005 in the case of *Mamatkulov and Askarov v. Turkey* (applications nos. 46827/99 and 46951/99) as well as point 5 of the operative part.

Priority

The Court further decided to give priority to the applications under Rule 41.
